

PATENT ATTORNEY/CONSULTANT (PHARMA/BIOTECH)

FIRM

Gowlings is a leading international law firm offering a diverse range of services within intellectual property law, business law and advocacy. Gowlings has over 700 professionals across offices in Montréal, Ottawa, Toronto, Hamilton, Waterloo Region, Calgary, Vancouver, Beijing, Moscow and London.

PROFILE

Gowlings is one of the world's leading intellectual property practices. Our Russian practice is based in Moscow, where our office has been established for more than 20 years. With our striving practice in pharma/biotechnology, we are looking for an exceptional candidate to join our team.

This is a superb opportunity to join one of the world's leading IP practices, working as part of a committed, high-calibre team.

RESPONSIBILITIES

The candidate's responsibilities may include but are not limited to the following:

- Performing filing, prosecution, licensing and revocation actions in a fully independent working environment
- Working with international and local clients in biotech/pharma industries
- Providing clients with strategic advice

QUALIFICATIONS

- A degree in chemistry, medicine or biotechnology
- Previous relevant experience in patents of minimum 2 years and up
- Registered Russian Patent Attorney or eligible to take an exam within a year.
- Fluent in English (both written and oral) is a must
- A law degree is an asset but not essential
- Client-oriented and results-driven, and able to work well in a fast-paced environment
- Team player
